PROFESSIONAL SUMMARY

Motivated third-year Computer Science undergraduate with strong hands-on experience in full-stack software development. Currently working as a Full-Stack Developer with industry exposure in React, Node.js, Firebase, and Laravel. Demonstrates solid understanding of algorithms, object-oriented programming, RESTful architectures, and database systems. A detail-oriented problem solver with strong teamwork, communication, and time management skills, passionate about building scalable, user-centric applications and continuously improving technical expertise.

PROFESSIONAL EXPERIENCE

Full-Stack Developer Intern

June 2025 – Present

Detz Global (Pvt) Ltd

- Develop and maintain full-stack web applications using React, Node.js, and Firebase.
- Implement responsive UI components and reusable frontend architectures.
- Build RESTful APIs and integrate Firebase Authentication and Realtime Database.
- Collaborate with cross-functional teams to deliver scalable and secure solutions.

Software Engineer Intern

July 2025 – September 2025

DigitalX Lanka

- Developed backend and frontend features using Laravel and MySQL.
- Implemented CRUD operations, authentication, and role-based access control.

EDUCATIONAL QUALIFICATION

BSc (Hons) Computer Science

2023 – Present

Informatics Institute of Technology (IIT), Sri Lanka
Affiliated with University of Westminster, London, UK

Diploma In Advance English British Way English Academy

2022

G.C.E. Advanced Level – Physical Science Stream

2021

G.C.E. Ordinary Level

2018

PROJECTS

- **Helping Hands Education Platform | MERN Stack**
 - Developed a community-driven platform connecting flood-affected students with donors and volunteers.

- **DiveMe – Diving Booking Web Platform | React, Node.js, MongoDB, REST APIs**
 - Built a full-stack booking platform for tourists to discover and book diving experiences in Sri Lanka.
 - Implemented map-based discovery, real-time bookings, reviews, and provider dashboards
- **Real-Time Breakdown Reporting & Maintenance System | React, Firebase, Tailwind CSS**
 - Designed a real-time issue reporting and maintenance management system.
 - Enabled live updates, authentication, task assignments, and status tracking using Firebase.
- **Task Management System with AI Assistant | React, Firebase, Gemini API**
 - Created a task manager with authentication, real-time task tracking, and AI-powered chat assistance.
- **Laravel Book Management System | Laravel 12, MySQL**
 - Developed a CRUD application for managing books and images with secure data handling.
- **B2B Resource Exchange Platform (Group Project) – React, Node.js, MongoDB, REST APIs**
- **OOP Real-Time Ticketing System – Spring Boot, React, SQL**
- **Student Progress Prediction System – Python, Data Visualization (Histogram)**
- **Bookstore Management System – Java (JAX-RS), Tomcat**
- **Bus Ticket Booking System – Java**
- **Student Grade Tracker – Java, Swing GUI**
- **Rest Countries Explorer – React, Tailwind CSS**
- **Study Assistant Chatbot – React, Firebase, Gemini API**
- **Gym Website (MERN Stack) – BMI calculator, membership plans, email integration**

KEY SKILLS

TECHNICAL SKILLS

- Programming Languages - Python, Java, C, OOP
- Frontend Development - HTML / CSS / JS, React, Next, JavaFX, Angular
- Backend - Spring Boot, Node.js, Laravel
- Databases - SQL, MongoDB, Firebase
- UI Design - Figma
- RESTful APIs
- Version Control - Git/GitHub

SOFT SKILLS

- Problem-solving with analytical thinking
- Clear and confident communication skills
- High adaptability and quick learning ability
- Strong collaborative teamwork and coordination skills
- Good time management and task prioritization
- Attention to detail and quality-focused mindset
- Ability to work independently with minimal supervision

LANGUAGE SKILLS

- Sinhala – Native
- English – Proficient / Professional Working Proficiency

CERTIFICATIONS & ACHIEVEMENTS

- CodeRally Hackathon – Hackathon Certificate
- IDET – Basic Java Development Certificate
- University of Moratuwa – Python for Beginners, Web Design for Beginners
- Learning Node.js – LinkedIn Learning (2024)
- Java OOP – LinkedIn Learning (2024)
- React.js Essential Training – LinkedIn Learning (2024)
- Programming Foundations: Software Testing / QA – LinkedIn Learning (2025)
